

FLORBELA

This wine is a special project, made especially for the Swedish wine market, but it will be tested in other markets. The concept is a wine that is sustainable in all aspects, from viticulture to packaging. We chose a very light bottle, natural cork and the absence of labeling materials makes this bottle 100% reciclable. Project cofunded by:

2022 HARVEST. We had a warm, dry winter and an abnormally hot and dry spring and summer. The reduced rainfall had some impact on the vine and grape maturation, although the conditions also affected the development of diseases (mildew and powdery mildew), resulting in excellent phytosanitary quality. The harvest was brought forward due to the heat of August, but the yields obtained were above average.

VINIFICATION. The grapes were harvested manualy to 20Kg boxes. The blend composition depends on the yelds of each variety in the vineyard. After crushing with full destemming, the grapes go to a small open stainless steel vat, were they macerate under low temperature for 48 hours. The fermentation is slow, under temperature control, with gentle reassemblies.

Type. red wine Region. Dão Denomination. DOC Reserva Vintage. 2022 Grape Varietals. alfrocheiro, tinta roriz, touriga nacional

Climate. temperate with Atlantic and Mediterranean influence Soil. mostly granitic with coarse sandand large rocky outcrops Altitude. 400m Viticulture. sustainable agriculture

Alcoholic degree: 13,2 % by Vol. Total acidity. 5,9 g/l Total sugar. 0,9 g/l pH. 3,70

Aging. stainless stell vats only Tasting Notes. ruby color, aroma of wild cranberries, strawberries, black cherry and herbs. Medium body, well balanced and with a dry, medium finish.

Bottle. 750 ml Bottle weight. 1,2 kg Packaging. 6 bottles / cardboard box Box size. 17,5 x 26 x 30 cm Box weight. 7,5 kg Palletization: 95 boxes / pallet = (19 boxes x 5 layers) Pallet dimensions. $80 \times 120 \times 165$ cm (EURO pallet) Pallet weight. 740 kg

Bottle EAN bar code. 5600794323108 Box ITF14 bar code. 15600794323105
